SB 526 to the Committee on Governmental Affairs and Efficiency.

SB 589 to the Committee on State Affairs.

HSR 466—REFERRED TO COMMITTEE

(Requesting the Texas Legislative Council to make a study of all state boards, commissions, etc.)

Mr. Floyd offered the following resolution:

HSR 466

Whereas, As the state government has responded to the needs of the citizens of Texas, numerous boards and commissions have gradually been established to regulate, license, examine, supervise, or prohibit various activities; and

Whereas, The need for certain specialized state agencies is often changed over the years as the functions and purposes of the state government are altered to meet new challenges; while the creation of new boards, commissions, and agencies is sometimes needed to implement new state programs and services, the necessity for older state agencies is sometimes eroded by the years; and

Whereas, A complete study and revaluation of all state boards and agencies should be undertaken by the Legislature periodically to insure the citizens that the functions of state government are being administered in the most efficient and economical manner possible; now, therefore, be it

Resolved by the House of Representatives of the 62nd Legislature, That the Texas Legislative Council be requested to make a comprehensive study of all state boards, commissions, agencies, and other regulatory bodies in Texas; the study shall include (1) a complete survey, listing, and analysis of all such boards and agencies, (2) a determination of the feasibility and desirability of consolidating duplicative boards and agencies into more efficient administrative units, (3) a determination of whether state boards are still serving the purposes for which they were created and are still providing the services or functions for which they were originally established, and (4) any related matter which the Texas Legislative Council shall deem significant in making a comprehensive report to the Legislature upon the problems mentioned in this resolution; and, be it further

Resolved, That the Texas Legislative Council shall make its complete report, including findings and recommendations and drafts of any legislation deemed necessary, to the 63rd Legislature when it convenes in January 1973. At least five copies of the completed report shall be filed in the Legislative Reference Library.

Signed: Floyd and Short

The resolution was referred to the Committee on Resolutions and Interim Activities.

HSR 467—REFERRED TO COMMITTEE

(Creating a special interim Committee on the Utilization of Solid Waste)

Mr. Kubiak offered the following resolution:

HSR 467

Whereas, Current programs and measures designed to abate pollution of the environment would be greatly aided by the discovery and implementation of new methods to utilize solid waste; and

Whereas, Past efforts on the part of industry and government have helped to reduce pollution by these waste products, but as yet no efficient method has been found to utilize solid wastes and eliminate their potential for polluting the environment; and

Whereas, Recent research and technological advancements dealing with the disposal of solid waste, including the development of recycling programs in Japan and other nations, present possible new means for the utilization of these waste materials and for the elimination of the environmental threat posed by such common pollutants as garbage, bottles, and other solid wastes; now, therefore, be it

Resolved, That the House of Representatives of the 62nd Legislature hereby create a special interim Committee on the Utilization of Solid Waste; the committee shall study the procedures utilized by other states and nations for the disposal of solid waste, with special attention directed toward the feasibility and desirability of implementing recycling programs in Texas; and, be it further

Resolved, That the Speaker of the House shall appoint three Members of the House of Representatives, including one designated as chairman, and two citizen members, including a businessman and an environmental specialist, to serve on the interim study committee; and, be it further

Resolved, That the actual expenses of the committee, both legislative and citizen members, and other necessary expenses of the committee shall be paid from the Expense Fund of the House of Representatives; that the committee shall prepare a budget for its operating expenses, which shall be submitted to the House Administration Committee, and no expenditures shall be made until the budget has been approved. Prior approval of non-budgeted expenditures shall be obtained from the House Administration Committee; and, be it further

Resolved, That this committee shall make its complete report, including findings and recommendations and drafts of any proposed legislation, to the 63rd Legislature at its regular session in January 1973, and that five copies of the completed study shall be filed in the Legislative Reference Library and five copies filed in the office of the Texas Legislative Council. Following official distribution of the committee report, all remaining copies shall be deposited with the Legislative Reference Librarian.

The resolution was referred to the Committee on Resolutions and Interim Activities.

HSR 468—REFERRED TO COMMITTEE

(Creating the House Interim Committee for Restoration, Arts, and Heritage)

Mr. Wyatt offered the following resolution:

HSR 468

Whereas, As Texas undergoes the transition from the rural frontier to an urbanized industrial state, Members of the House of Representatives should remember what Texas was in the days of their legislative prede-

cessors, just as future Members should be reminded of what Texas is today; and

Whereas, Visitors to the State Capitol should be encouraged to recognize the beauty and diversity of landscapes which the different parts of Texas—North, South, East, and West—have to offer; and

Whereas, The display of paintings of characteristic Texas scenes would greatly enhance the beauty and inspirational quality of the Chamber of the Texas House of Representatives; now, therefore, be it

Resolved, That the House of Representatives of the 62nd Legislature of the State of Texas hereby create the House Interim Committee for Restoration, Arts, and Heritage to select and commission four artists of Texas to execute four landscape paintings of uniform size depicting representative Texas scenes, which shall be placed at the back of the House Chamber; and, be it further

Resolved, That the committee shall consist of the following members, to be appointed by the Speaker of the House: five Members of the House of Representatives and seven citizen members from across the state, one of whom shall be a member of the Texas Fine Arts Commission and shall serve as chairman of the committee; and, be it further

Resolved, That the chairman may, with the advice and consent of the committee, appoint not more than 12 persons to serve as advisory members of the committee; and, be it further

Resolved, That the committee may make recommendations for the restoration of the House Chamber in keeping with historical authenticity; and, be it further

Resolved, That the committee may, with the approval of the House Administration Committee, accept gifts and donations which would aid in achieving the goals for which the committee has been created and may submit a request to the House Administration Committee if further funds are needed; and, be it further

Resolved, That the actual expenses of the legislative and citizen members appointed by the Speaker of the House to the committee and other necessary expenses of the committee shall be paid from the Expense Fund of the House of Representatives; that the committee shall prepare a budget for its operating expenses, which shall be submitted to the House Administration Committee, and no expenditures shall be made until the budget has been approved. Prior approval of nonbudgeted expenditures shall be obtained from the House Administration Committee; and, be it further

Resolved, That the committee shall submit a complete report of its proceedings and recommendations to the House of Representatives of the 63rd Legislature at the regular session in January 1973. Five copies of the report shall be filed in the Legislative Reference Library and five copies shall be filed in the office of the Texas Legislative Council; following official distribution of the committee report, all remaining copies shall be deposited with the Legislative Reference Librarian.

Signed: Wyatt, Bynum, Coats, Agnich, Von Dohlen, Patterson, Tom

Bass, Christian, Niland, Calhoun, Uher, Doyle, Cruz, Poff, Adams, and Wolff.

The resolution was referred to the Committee on Resolutions and Interim Activities.

Whereas, While seated and watching the performance the stands collapsed, causing her to fall approximately six feet; and

Whereas, As a result of the fall Andrea Louise West sustained severe injuries to her back and incurred substantial medical bills; now, therefore, be it

Resolved by the House of Representatives of the 62nd Legislature, the Senate concurring, That Andrea Louise West is hereby granted permission to sue the State of Texas and The University of Texas at Austin in a court of competent jurisdiction for a determination of all legal and equitable issues arising out of the transactions described in this resolution and for any legal or equitable relief that may be properly granted; and, be it further

Resolved, That service of process shall be on the Attorney General and the Chairman of the Board of Regents of The University of Texas; and, be it further

Resolved, That nothing herein shall be construed as an admission on the part of the State of Texas, or any of the departments or agencies of the State of Texas or any of the political subdivisions of the State of Texas, as to the validity of any allegations or claims asserted in any such suit, but that all allegations and claims asserted in said suit must be proved as in other suits under the same rules of evidence and the same laws as apply in and govern the trial of other civil cases; and, be it further

Resolved, That nothing herein shall be construed as a waiver of any defenses, of fact as well as of law, that may be asserted by or available to the State of Texas or The University of Texas in said suit, but all such defenses are hereby specifically reserved.

SB 56—(Consideration continued)
